Grace Note is a treble-voice a capella group, consisting of 12 auditioned 10th-12th graders from Hoover High School. This year, they are under the direction of Stephanie Daviston. Ten Bucs Worth is an a capella group from Hoover High School consisting of ten junior and senior guys under the direction of John Kincaid. All members of Ten Bucs Worth and Grace Note are also enrolled in one of the class choirs at HHS. Both of these groups meet weekly outside of school hours to rehearse and prepare for their many performances throughout the community. They are honored and excited to perform at the Hoover Senior Center!

 **We will be honoring our Veterans at this event.**
